Auto Accept Signature

With electronic signature capture capability, each signer—buyer, co-buyer, dealership—is prompted to initial or sign where required.

Simplified Signing

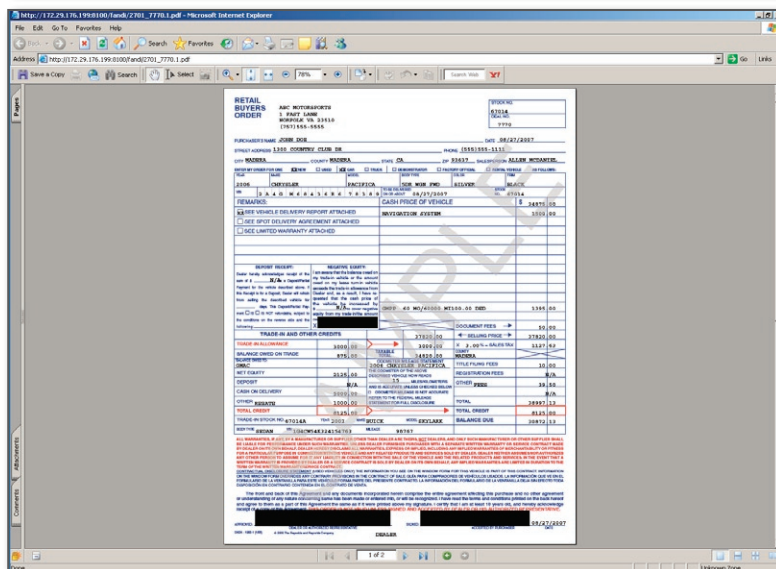

- Collect signatures on an electronic signature pad with automatic prompts.
- Helps ensure complete documents with no missed signatures or initials.
- Rest assured that signatures are encoded for increased security.

Flexible Disclosure

- Display and review forms on-screen.
- Print copies for review.
- Choose what works best for you or your customers.

Let F&I eForms help you handle your customer's business transaction more professionally and make a better impression. Focus more on serving and selling to your customers and less on handling paperwork so you can increase profits, not paper.

For more information on F&I eForms, please contact your Reynolds Account Manager, call 800.767.7879, or e-mail marketing@reyrey.com.

Forms available for laser printing can be previewed on the screen or printed for review (PDF format).

Across the F&I industry, gaining permission for electronic use of every external form is an ongoing process. All dealership forms should be available for laser printing. Reynolds' goal is to provide, as close as possible, 100% of your forms for laser printing. The number of forms available at installation will vary for each dealership.
