Parts and Service Solutions

## Ask Yourself...

- ❓ How much time are my employees wasting manually creating complicated shipping manifests that are hard to read?
- ❓ Are my customers frustrated because they receive their parts late, or not at all?
- ❓ How much time and money is wasted when parts are missing from deliveries and drivers must return to pick them up?
- ❓ Am I doing everything I can to make sure the right part is delivered to the right customer?

## Expect Results

- Save time by easily creating comprehensive driver manifests and parts delivery labels.
- Increase customer satisfaction by delivering the correct parts in a timely manner.
- Reduce collections errors by ensuring your cashier can easily reconcile payment methods for the amount invoiced.
- Increase profits by ensuring no incorrect parts are picked for delivery.

\* Deloitte Research Manufacturing Study

## Where Are Your Parts?

Only one quarter of automotive companies deliver parts on schedule more than 96% of the time.\*

# Instant Manifest

### About Instant Manifest

Make more efficient and accurate deliveries while increasing customer satisfaction. Quickly and easily create parts delivery labels and detailed manifests.

The screenshot shows the 'Instant Manifest' software interface. The main window is titled '(PTS) - POWER' and contains a menu bar with 'Functions', 'File', 'Subscreens', 'Tools', 'Display', 'Print', 'System Tools', and 'Go To'. A left-hand navigation pane lists various tasks like 'Main', 'Email', 'Tasks', 'My Parts Tasks', and 'My Procedures'. The central area is titled 'Instant Manifest' and includes a 'Printer' dropdown, 'Manifest Information' fields (Manifest#, Driver, Truck, Mileage), and an 'Invoices' table. A red callout box points to the table with the text: 'Easily print manifests and view delivery vehicle and driver information all on one screen.' Below the table is a 'Delivery Manifest' printout showing details for three invoices, including client names, addresses, phone numbers, and payment information.

Special Stop	Client	Invoice#	Name	Route	Previous Manifest#
<input checked="" type="checkbox"/>		017002	WEDDELE, MELINDA K.		
<input type="checkbox"/>		017004	DALTON MOTORS	100	
<input type="checkbox"/>		017005	DALTON MOTORS	100	000001
<input type="checkbox"/>		014516	DALTON MOTORS	100	000001
<input type="checkbox"/>		017000	JOHNNY'S TOWING		

### Highlights

- Create comprehensive driver manifests and parts delivery labels.
- Easily include customer names, addresses, invoice amounts, parts to be delivered, and more, on every manifest you create.
- Instantly add invoice information or additional stops to a route without creating a new manifest.
- Create a single manifest with invoices from multiple stores.
- Quickly and easily print delivery labels.

Expedite and simplify your delivery process to increase your productivity and customer satisfaction with Instant Manifest.
